

Buying Metrorail Fare Cards

To accommodate ease of travel for your group, we recommend that you purchase Metrorail fare cards for your group **in advance**.

One Day Pass

A One Day Pass can be purchased for \$9.00 per person. This card provides for unlimited Metrorail trips for one day of use. On June 9th, the pass can be used from 7:00 a.m. until 3:00 a.m. Sunday. A One Day Pass will not be affected in the event of fare increases occur between now and June 9th. Cards purchased now at the \$9.00 amount would still be good for use on June 9th, even if the fare increased between now and then.

Specific Amount Fare Cards

Station to station rates can be calculated and fare cards purchased for a specific amount in bulk. Please note that the cash fare for the weekend rates should be used. The current rates are subject to fare increase at the discretion of WMATA. If a rate increase occurs, you would be able to add money to each fare card at a Metro station.
